

## Amber Bowerman Intern Scholarship

### Application Form

The Amber Bowerman Intern Scholarship program was created by AMPA to provide a legacy for journalist Amber Bowerman who passed away in 2008. Amber Bowerman was a writer for a multitude of Alberta and Canadian magazines; as well as a mentor and inspiration to emerging writers through her work as publications editor and advisor at the SAIT Students Association.

AMPA hopes the program will nurture relationships between those studying to join the magazine industry and those working in it. For more information about the structure of the program, please review the *Internship Scholarship Guidelines* form.

Please ensure all required information is provided, and send the application along with supporting documents to the AMPA office. The deadline for Spring/Summer scholarships is **March 1st**. The deadline for Fall/Winter scholarships is **August 1st**. Please note that an application does not guarantee a scholarship. Notification of successful applications will be made within a month of each deadline.
