

Editorial Contract Position-Internship (January 5 – March 31, 2009)

Canadian Wine Annual – RedPoint Media Group

Location: Calgary, Alberta

Salary: A monthly \$1,456 stipend

Description

Do you consider yourself a bit of a wine buff? If you are interested in the international world of wine and food and would like to become a part of Canada's only truly national wine and food magazine then you should become an intern for Wine Access.

Wine Access, published six times a year, is a national wine and food magazine with editors and writers spread out across Canada. Our Canadian Wine Annual, published every May, is the definitive guide to all the wineries in Canada.

As the Canadian Wine Annual intern, you will be a fundamental part of the publication of this highly successful magazine. You will oversee all fact-checking, editing copy, working directly with writers and art teams, sourcing images and helping produce visuals (maps) for the entire book. As this is a short-term contract position, we are looking for someone with the drive and skills to work independently, and who takes pride in their work. This issue has a very large Canada-wide circulation and your name could be one of the editors on the masthead!

RedPoint Media Group is one of Western Canada's largest independent publishers. Our award-winning magazines include *Avenue*, Calgary's city magazine, *CalgaryInc*, the city's business source and *Wine Access*, Canada's wine and food magazine. The company offers you an exciting, educational and ultimately rewarding experience in the Canadian magazine industry. Visit www.redpointmedia.ca and www.wineaccess.ca for more information.
