Professional Development Bursary Application Form

Bursary guidelines:

- AMPA provides bursaries to reimburse up to 75% of the expenses not covered by other bursaries/grants for travel and tuition, up to the maximum bursary value available for the event, as determined by AMPA (see 2011 Bursaries chart for maximum bursary values, AMPA_Bursary_2011Amts.pdf). Travel expenses are only eligible if attending an event *outside* of the city or town in which you reside.
- One representative from each **AMPA voting member magazine** is eligible to apply for a travel and tuition bursary for each event. *If funding is available*, additional bursaries may be provided, inquire at director@albertamagazines.com.
- Preference will be given to publications that have not used AMPA's bursary program in the past. Otherwise, bursaries are awarded on a first-come-first-serve basis.
- Members must be in good standing (i.e., membership fees must be up to date).
- Proof of event attendance (course registration and badge) is required.
- AMPA cannot reimburse alcohol expenses.
- Within 60 days of the event, recipients must submit original receipts and a letter of acknowledgment that describes the value of the event, skills they gained and their plans to share the information with others in the Alberta magazine industry.
